LOGO can be customized according to the provided LOGO,
you can choose different crafts as below:

please contact us of more details before placing the order.

Pickup fabric and color swatch

A semi-circular color calibration chart, often used in photography and printing for color accuracy. It features a wide range of color patches arranged in a fan shape, from primary colors to skin tones and grays. A ruler is attached to the bottom edge for scale.

A collage of various colored and textured fabrics. The top row shows smooth, solid-colored fabrics in shades of yellow, orange, red, pink, and blue. The middle row features a variety of textures, including a coarse grey weave, a fine red knit, and a green mesh. The bottom left shows smooth fabrics in green, pink, and brown. The bottom right shows a mix of textures, including a green mesh, a grey knit, and a brown smooth fabric.
