please contact us of more details before placing the order.

Pickup fabric and color swatch

A semi-circular color calibration chart, often used in photography and printing for color accuracy. It features a wide range of color patches arranged in a fan shape, including primary colors, skin tones, and a grayscale ramp. A ruler is attached to the bottom edge of the chart.

A collage of various colored and textured fabrics. The top section shows a row of smooth, solid-colored fabrics in shades of yellow, orange, red, pink, and blue. Below this, there are several sections showing different textures: a close-up of a red and orange woven fabric, a green and grey knitted fabric, and a row of smooth fabrics in green, yellow, and grey. The bottom left corner features a close-up of a red and orange woven fabric, and the bottom right corner shows a row of smooth fabrics in shades of blue, grey, and purple.
