A semi-circular color calibration chart, often called a Munsell Color Services Lab chart, is shown. It features a wide range of color patches arranged in a fan shape, covering the visible spectrum from reds and oranges to blues and greens. A color calibration target, which includes a series of color bars and a grayscale step wedge, is placed over the center of the chart. The target has text that includes "Munsell Color Services Lab" and "ColorChecker".

A collage of various colored and textured fabrics. The top row shows smooth, solid-colored fabrics in shades of yellow, orange, red, pink, and blue. The middle row features a variety of textured fabrics, including woven and knitted materials in colors like red, orange, grey, and green. The bottom row displays more smooth, solid-colored fabrics in shades of green, pink, and blue. The fabrics are arranged in vertical strips, some overlapping, creating a rich visual display of textile options.
