#### Features

Made of high-quality polyester cloth, tough and tear resistant, easy to clean, 100% ordinary water resistant, so that you can use it even a rainy day.

There is also a pocket on both sides in the bag, can fix glasses or other fragile item.

Unique and clear, there is a reflective strip below, to ensure the safety of night riding, you can also install the taillight on the reflective strip, so that you don't worry the seat bag will cover the taillight, it's so safe!

There are two Velcro straps on the back of the bag that can be freely sized to fit the support bar underneath the seat, then ensure that it is tightly close with the seat; There are also two band on the top of the bag, which can be connected to the hole on the seat to ensure that the package will not fall.  
The bicycle bag would not move around even if you ride on a bumpy or rocky road.

#### Style Customization

Develop a design plan - Sign a contract - Accomplish - Product inspection - Well-built  
Note: The size and the color can be customized according to customer requirements.
