A semi-circular color calibration chart, often called a Munsell Color Services Lab chart, is shown. It features a wide range of color patches arranged in a fan shape, covering the visible spectrum from reds and oranges to blues and greens. A color calibration target, which includes a series of color bars and a grayscale step wedge, is placed over the center of the chart.

A collage of various colored and textured fabrics. The top row shows smooth, solid-colored fabrics in shades of yellow, orange, red, pink, and blue. The middle row features a variety of woven and knitted textures in colors like red, orange, grey, and green. The bottom row includes smooth fabrics in shades of green, pink, and blue, as well as textured fabrics in grey and brown.
