Product Description

Compact Design

Men's toiletry bag is inspired by the tool roll, which not only ensures strong storage but also its portability and space-saving on the go. Just roll it up and buckle it up with G-hook and take it away easily. You can also hang them up with dual metal grommets, or spread the dopp kit flat on the bathroom sink to use. It's a clean, hygienic, minimalist way to organize and store all your travel essentials.

Water-Resistance&Durable Material

The travel toiletry bag is made of waxed canvas with a pleasantly textured, supple surface. The external water-resistant coating easily wipes the water stains. The inner water-resistant nylon prevents moisture from infiltrating into the material, keeping the various components dry and prolonging the service life.

Large Capacity & Organized Compartments

22" x 11"(L*W). The dopp kit for men meet full-size travel items with 13 segment pockets. A main transparent bag for dry and wet separation. 4 mesh pockets with zippers to store all of your items without chaos and easy to find. 6 mesh bags with additional elastic straps, which contain most of your toiletry necessities orderly in the bag.

Men's toiletry bags for traveling

The toiletry bag is perfect for any and every travel situation, such as camping, backpacking, vacations, business trips, festivals, retreats, and more. Just throw the bathroom bag in your backpack or suitcase without worry. You'll save space while keeping your toiletries safe from each other and the rest of your bag. It also makes TSA easy to pass! Simply pull it out for screening, no worries, no hassle, no mess.

Gifts for men

This men's shaving bag has a practical design, high-grade material, and a masculine look, perfect for weddings, birthdays and Christmas gifts. It's an amazing idea for dad birthday gifts, groomsmen's gifts, and anniversary gifts for him.
