Product Description

Unisex Hanging Toiletry, Makeup and Wash Bag

This travel bag has numerous pockets, strong zippers, dual side "wings", elasticised holders and mesh pouches to store all travel toiletries, cosmetics and make-up in one portable, water-resistant bag.

Organize your Travel Toiletries:

This travel wash bag is compact yet large enough to carry all travel essentials upright. Perfect for individual, couple or family use. Side pockets with extra elastic loops and mesh bags for makeup, toothbrush and small travel items. Sturdy bottom assures your travel cosmetic bag remains upright and does not tip over on bathroom ledge or basin.

Strong Metal Swivel Hook (360 degrees)

The sturdy hook is large enough to hang your travel toiletry kit or wash bag from any hook, door, rod, basin or even a tree when camping. Easier than a shaving Dopp kit as toiletries are easily accessible and visible when hanging. A perfect travel toiletry bag and organizer.

Extra Travel Savvy Bonuses

Included with the travel toiletry bag is a removable clear transparent travel TSA compliant zipper bag for four travel essentials such as a toothbrush, make-up, meds or wipes. Simply place in hand luggage for easy airport security checks and attach to toiletry bag at destination. The travel toiletry bag also comes in a versatile water-resistant drawstring bag perfect for wet items or shoes.
