## Product Description

### High Quality Material

The tool bag is made of 600D Oxford cloth features great solid sturdiness and wear and tear-resistance. Fine stitching makes it extremely tough and long-lasting. No need to worry about your tool bag getting damaged or breaking while in use.

### Large Storage Bag

Totally 26 small pockets in the repair tool kit. Exterior pockets and large interior room help better organize, accommodate and access your essential tools of different sizes.

### Wear-Resistant Waterproof Base

The hard wear-resistant waterproof molded base keeps the bag clean and dry, protecting your tools inside in case of falling. No need to worry about your tools getting rusted and wet.

### Comfortable Handle

The open top tool bag features an extra foam padded handle and adjustable shoulder straps for extra comfort when carrying heavy loads.

### Perfect Tool Bag

The tool bag can store screwdrivers, wrenches, electric drills, tape measures, pliers, etc.; Featuring a foldable design for easy storage. It is an essential tool bag for electricians.
